

REQUEST FOR PROPOSAL (RFP)

RFP NO: COJ-2026-IAM-0142

ISSUED BY: City of Jasper County, Department of Information Technology

TITLE: Identity and Access Management (IAM) & Cybersecurity Monitoring Services

1. INTRODUCTION

Jasper County ("the County") is seeking proposals from qualified vendors to design, implement, and support an enterprise Identity and Access Management platform, including single sign-on, multi-factor authentication, privileged access management, and 24/7 security monitoring (SOC/SIEM) for approximately 3,400 county employees across 12 departments.

2. SCOPE OF SERVICES / DELIVERABLES

The selected vendor shall provide the following deliverables:

- 2.1 A detailed IAM implementation plan and project schedule within 15 business days of contract award.
- 2.2 Deployment of a cloud-based single sign-on (SSO) solution integrated with the County's existing Active Directory environment.
- 2.3 Multi-factor authentication (MFA) rollout for all remote and privileged accounts.
- 2.4 Privileged Access Management (PAM) solution for IT administrator accounts.
- 2.5 24/7/365 Security Operations Center (SOC) monitoring with SIEM integration.
- 2.6 Quarterly security posture reports and an annual penetration test.
- 2.7 Staff training materials and two (2) live training sessions for County IT staff.
- 2.8 A final project closeout report and 12 months of post-implementation support.
- 2.9 Data migration plan ensuring zero downtime for critical county services.

3. EVALUATION CRITERIA

Proposals will be evaluated and scored by the County's Evaluation Committee based on the following weighted criteria:

- Technical Approach and Solution Architecture 30%
- Relevant Experience and Past Performance (min. 3 similar projects) 25%
- Cost / Price Proposal 20%
- Qualifications of Key Personnel 15%
- Compliance with Security & Data Protection Standards (NIST, CJIS) 10%

Total possible score: 100 points. Proposals scoring below 70 points will not be considered for award. The County reserves the right to conduct oral interviews with the top 3 scoring vendors before final selection.

4. FINANCIAL / ACCOUNTING REQUIREMENTS

- 4.1 Payment Terms: Net 30 days from receipt of a correct invoice, tied to milestone completion. A 10% retainage will be withheld until final project acceptance. Late completion of milestones without an approved change order may result in liquidated damages of \$500/day.
- 4.2 Financial Statements: Vendor must submit audited financial statements for the two (2) most recent fiscal years demonstrating financial stability.
- 4.3 Insurance Requirements: Vendor shall maintain Commercial General Liability, Cyber Liability, and Professional Liability (Errors & Omissions) insurance with minimum coverage of \$3,000,000 per occurrence.
- 4.4 Bid Bond: A bid bond in the amount of 5% of the total proposed price is required at time of submission.

5. LEGAL / ELIGIBILITY REQUIREMENTS

- 5.1 Vendor must demonstrate a minimum of five (5) years of relevant experience delivering IAM/cybersecurity solutions to government or enterprise clients of comparable size.
- 5.2 Vendor must be registered to do business in the State and in good standing with the Secretary of State.
- 5.3 Vendor must provide a copy of its most recent audited financial statement.
- 5.4 Vendor must comply with all applicable data protection laws, including state breach notification statutes and CJIS Security Policy where applicable.
- 5.5 Vendor must participate in the E-Verify employment eligibility verification program.
- 5.6 Vendor must disclose any current or prior business dealings with sanctioned countries, including Iran, in accordance with state procurement law.

6. OPERATIONS / SUBMISSION REQUIREMENTS

6.1 Required Forms (must be completed, signed, and included with the proposal):

- Certificate of Insurance
- W-9 / Vendor Information Form (Tax ID, Owner Name, % of Ownership)
- Small Business / MBE Certification (if applicable)
- Workers' Compensation Insurance Certificate
- Iran Divestment Disclosure Form
- Signed Addenda Acknowledgment Form

6.2 Submission Deadline: All proposals must be submitted electronically no later than 3:00 PM Eastern Time on August 14, 2026. Late submissions will not be accepted.

6.3 Proposals must follow the formatting requirements in Section 8 (12-pt font, PDF format, page limit of 40 pages excluding appendices).

6.4 Proposals must be signed by an individual with authority to bind the vendor contractually.

6.5 Vendor Registration: Vendors must be registered in the County's e-procurement portal prior to submission; registration requires a completed W-9 and business license number.

7. CONTRACTUAL TERMS

The resulting contract will have an initial term of three (3) years with two (2) optional one-year renewals. The County may terminate for convenience with 30 days' written notice. Disputes will be resolved through mediation prior to litigation, venued in Jasper County. Liability is capped at two (2) times the annual contract value, except for breaches of confidentiality or data protection obligations.

8. TECHNICAL STANDARDS

The proposed solution must comply with NIST 800-53 and NIST 800-63 identity assurance guidelines, support SAML 2.0 and OIDC protocols, provide encryption at rest and in transit (AES-256/TLS 1.2+), and support integration with the County's existing ServiceNow ITSM platform.
